

## **Afikoman Scavenger Hunt**

Created by Irit Eliav Levin, MSW

Lay these clues around the house, with each clue directing participants to the next location. The clues can be in any order, but the last stop should be where the afikoman is hidden. Feel free to add your own clues to make it more specific to your house!

### **Clue One:**

A world of possibilities awaits you here,  
A chance to explore throughout the ages.  
So much hidden, so much to imagine,  
Within those black and white pages.  
If there is something you'd like to learn,  
Stop by here and take a look.  
Often an answer can be found,  
In the pages of your favorite book.

### **Clue Two:**

Our pajamas are on, our teeth are brushed,  
There's not much left to be done.  
We grab our teddy bear or our doll,  
Whichever is our favorite one.  
If the day has been long and tiring,  
Then this place is the very best.  
At last we lay our heads down here,  
It is finally time to rest.

### **Clue Three:**

I took a spill on the soccer field,  
I spilled milk all over my shirt.  
I spent the afternoon watching the clouds go by,  
And my pants are covered in dirt.  
I ran for an hour yesterday,  
Sweatier socks I've never seen,  
Thank goodness we have this handy machine,  
To help all my clothes get clean!

### **Clue Four:**

Apples, oranges, a container of milk,  
What else is on this shelf?  
Searching for a snack to have now,

Something I can make all by myself.  
The light turns on as I open the door,  
And take a peek at what's inside,  
It's chilly as I search to see,  
Where the next clue has chosen to hide.

**Clue Five:**

Everything is lined up straight as can be,  
The clothes hang all in a line.  
The sweaters are folded on the shelf,  
The shoes inside are mine.  
Each morning I take a look inside,  
To see what I will wear.  
The next clue is in a special spot,  
See if you can find it hidden there.

**Clue Six:**

The floor is sometimes slippery,  
After I'm used as you start your day.  
Lather up the shampoo as it hits your hair,  
And watch it rinse a way.  
Use the soap on your arms and legs,  
Don't forget to wash the dirt from your feet.  
Grab a towel and rinse yourself off,  
Now that you are tidy, clean, and neat!

**Clue One:** Bookshelf (or specifically choose your child's favorite book)

**Clue Two:** Under a pillow

**Clue Four:** In the fridge
