

Schoolwide Family Mitzvah Day

Dear B'Yachad Families,

**Please join us on Sunday 1/29 from 9:30–12:30
for our second schoolwide Family Education Program.**

**The theme this time is...
Mitzvahs, Tikkun Olam/Repairing the World.**

**Please join your child/ren for this very special learning
and hands–on experience with Rabbi Dan,
Rabbi Weisbrot, and Laurie Sasson.**

**Together we will engage in acts of loving kindness for
our neighbors, our community, those in need, and
Israel.**

Lots of special and fun things await you!

Looking forward to doing good, B'Yachad, together.

Ruth
